6 TO RECEIVE THE NORTH YORKSHIRE POLICE CRIME REPORT

It was noted that there were two crimes including another at the Nurseries Caravan Park involving theft of bicycles. The caravan park had been forced to introduce additional security measures as a result with the erection of a perimeter fence. The other crime related to the theft of a wheelie bin, tarpaulin and table.

7 REPORT FROM WARD COUNCILLOR HOOK

Ward Cllr. Hook reported that she was meeting Dave Meigh, Operations Manager, City of York Council (CYC) at 10am the next day at Askham Bryan pond to discuss the CYC pollinator strategy.

She reported that there would be a feature in the next publication of Focus showing her and Ward Cllr. Barker alongside the wildflower meadow in the new community woodland.

Although the previous PC meeting had decided not to pursue a wildflower meadow at this stage, Ward Cllr. Hook encouraged the PC to apply for additional Ward Committee funding.

It was noted that some potholes on the A1237 had been filled which fell short of the expected resurfacing work.

8 OTHER MATTERS

8.1 Making access to the Recreational Area safe from illegal entry and making the access more user friendly for all.

An email from Ward Cllr. Hook had alerted the PC to the risk of unauthorised encampments after this had happened in a nearby parish. It was resolved that a maximum budget of £600 be set for finding a solution which would prevent unauthorised encampments but not restrict push chair access. Ward Cllr. funding may be available. Ward Cllr. Hook would seek advice from Dave Meigh the next day and would email Cllr. Paula Widdowson.

8.2 Equipment for the redevelopment of the Recreation Area

Cllr. Smahon reported that she had contacted six contractors about the equipment for the redevelopment of the Recreation Area. Each had been sent a summary document and the layout and plans. None had replied and she had had to chase them following which she managed to get three responses, none had quoted against the specifications. Cllr. Smith had a contact a Bilborough PC and would try to get three names.

There was a query about the decision made at the previous meeting to remove the mound where the slide used to be. Cllr. Steele had had a quotation for £338 + VAT for an eight-ton machine with one driver for one day. There was a query whether the mound was entirely made up of topsoil whether it was made up of rubble with topsoil only at the surface. There was a demand for topsoil and there was therefore an opportunity to sell it. Various names were put forward as people who might know how the mound was originally built. Cllr. Smahon would provide Cllr. Steele with details of suppliers of topsoil.

8.3 Natural Environment Committee.

It was **resolved** that the Natural Environment Committee be formed consisting of members Lisa Marriott (Chair), Jan Bennett, Elizabeth Dobie, Jo Fell, David Hartley and Kathryn Nolan plus Cllr. Barber. They would operate within the agreed terms of reference.

9 FINANCE

9.1 Bank Reconciliation

Since the last meeting, there had been income of £285 (being the sale of the slide) and payments totalling £1,635.11

9.2 Report of invoices to be paid

It was **resolved** that the following invoices to be paid, all in favour.

- Clerk's Salary 01/06/21 to 30/06/21 plus deductions payable to HMRC.
- DeWalt Thin Metal Cutting Discs - 125 x 1.0 x 22.2mm – Toolstation - £7.98 + £2 VAT.

10 CORRESPONDENCE

A list of correspondence received since the last meeting (items 257-264) had been circulated and the contents noted.

11 ACTION TRACKER

An Action Tracker had been circulated with the agenda papers listing all previously agreed actions and reports on progress. The Clerk reported on the progress of the demand from the solicitors acting for York Diocese Board of Finance Limited. He had asked if this could be paid annually rather than once a decade and had pursued a reply on more than one occasion – the most recent being on 8th July 2021 and felt that no further action should be taken until the Diocese Board of Finance or their agents replied.

The deadline for the next village newsletter was the following day. Content for the article from the PC was suggested including introducing Cllr. Dawson and a top-level summary of recent meetings including a feature on the Natural Environment Committee and the launch of the new website.
